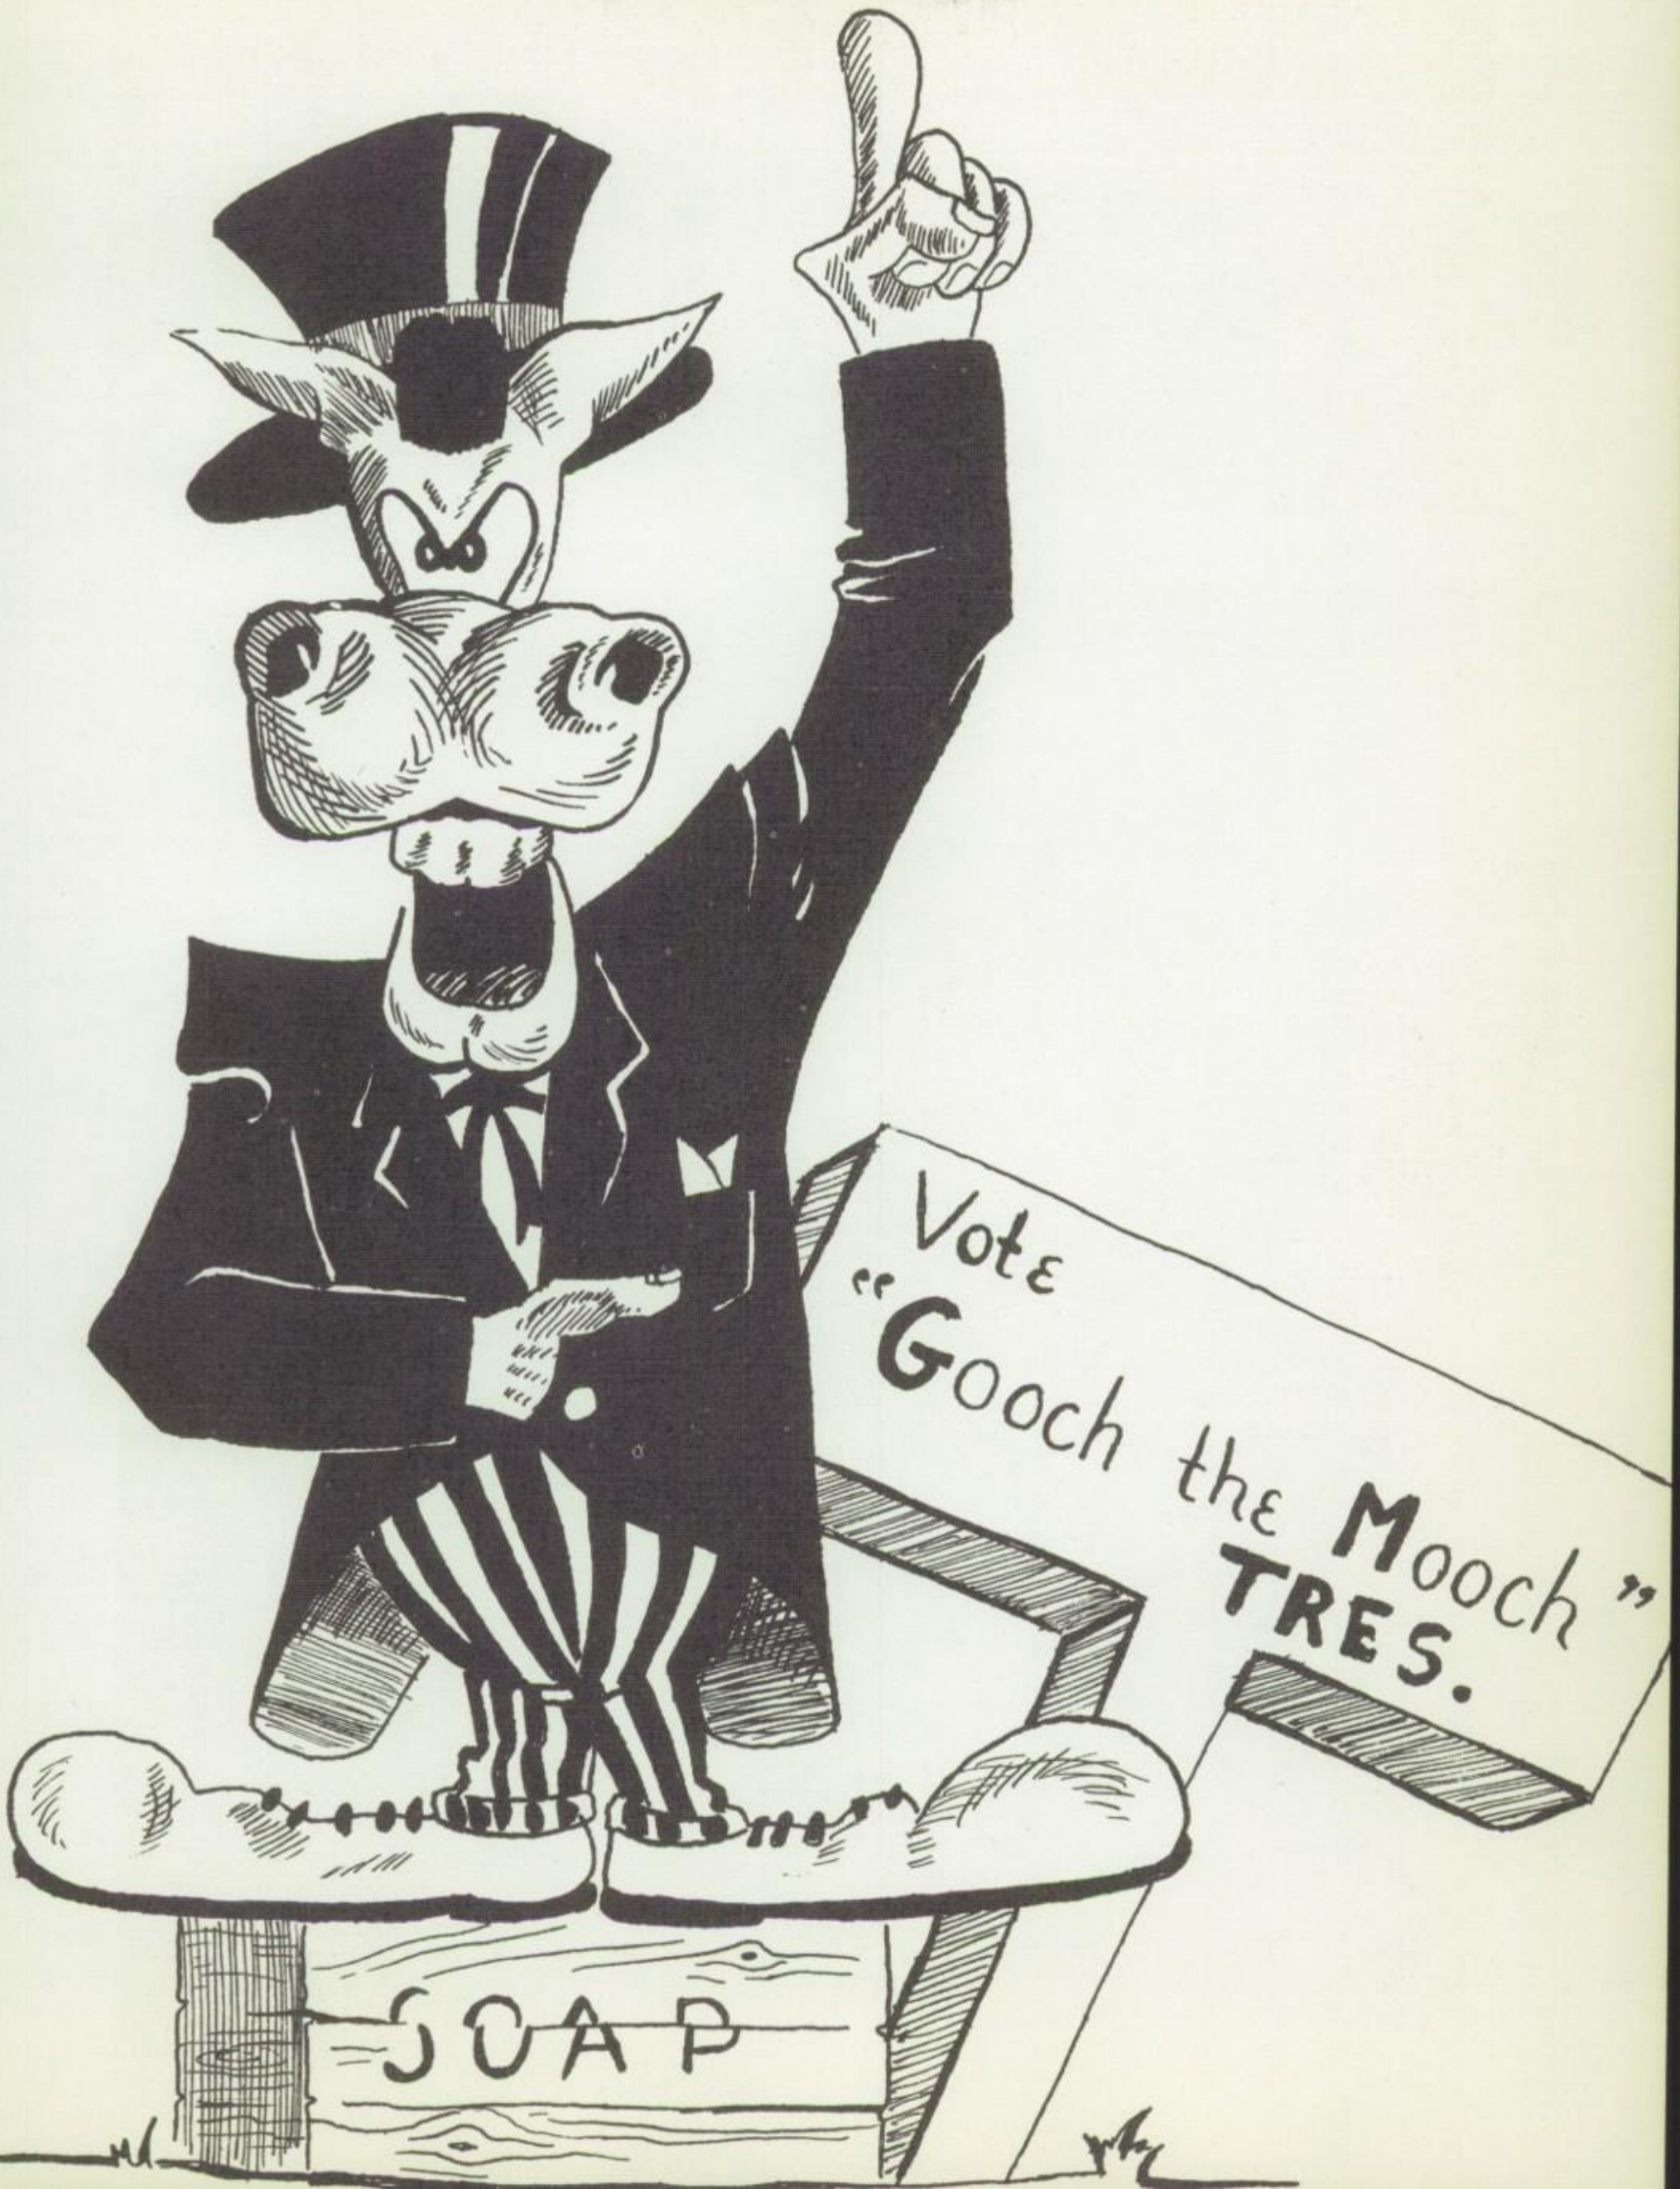
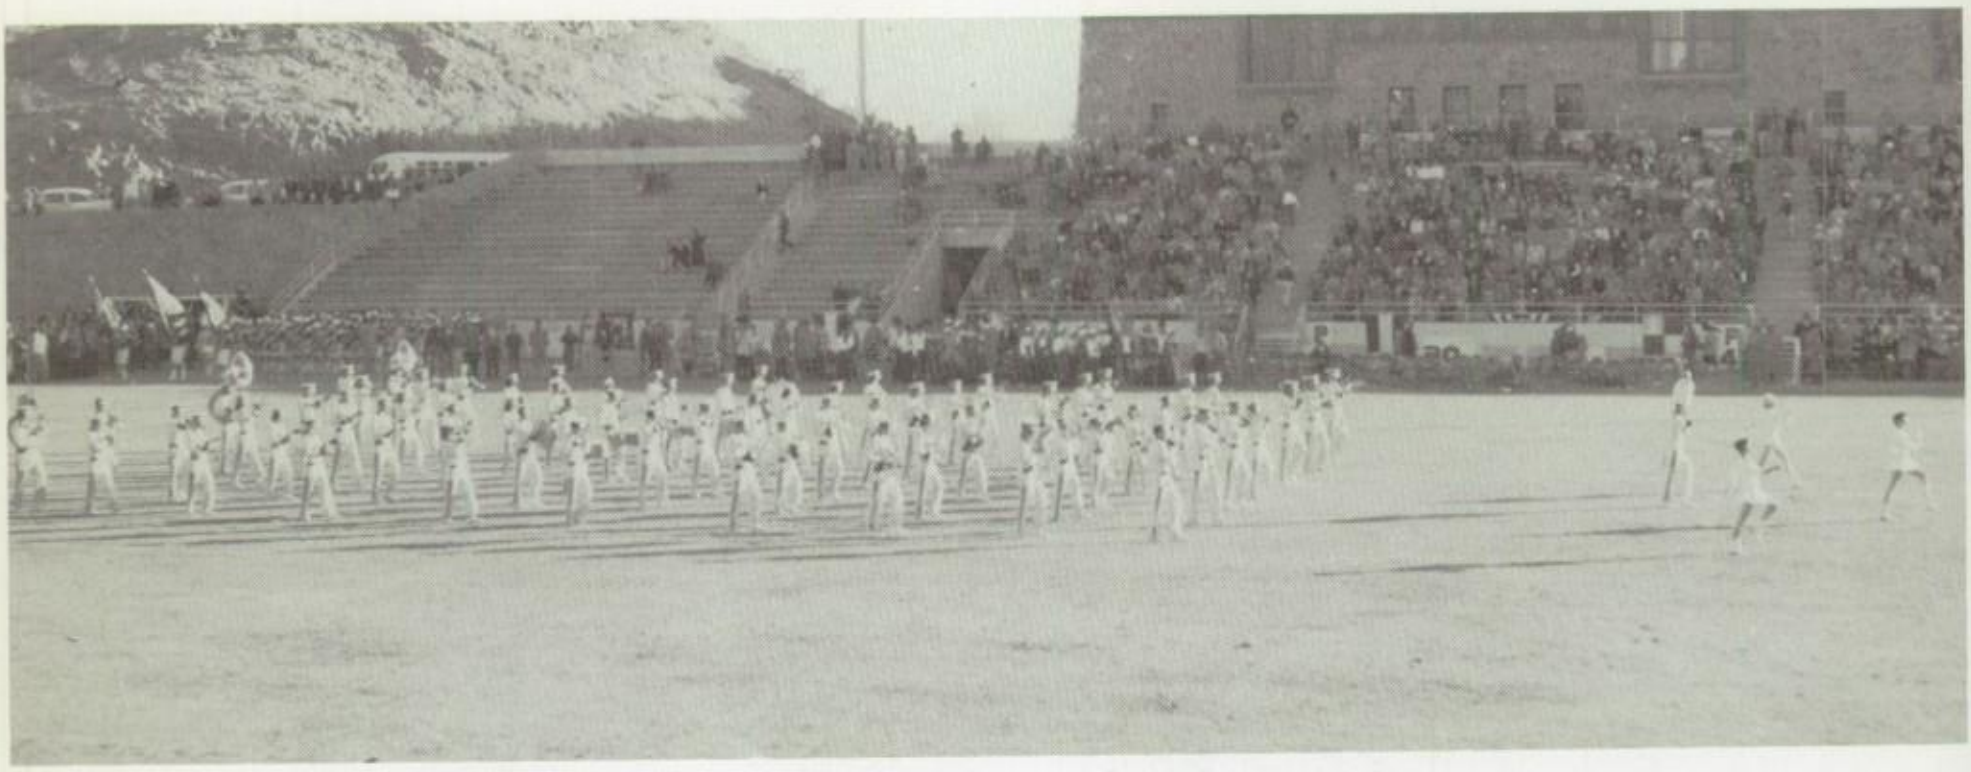
ACTIVITIES



BURGES HIGH



The Burges High Mustang Band, organized in the spring of 1956, is the most versatile organization in the school. It is composed of Senior High students, led at marching events by four snappy-stepping majorettes.

Under the direction of Mr. Joe Booth, the band has represented Burges at sports events, Sun Carnival parades, civic gatherings, and has presented concerts in the school and at Fort Bliss.

Several members of this organization have received city and state-wide recognition for their musical apilities. Much praise has been accorded the school because of the efforts of the band.

The "Hoofbeats" of 1957 included an In Memoriam page to Lt. Comdr. Robert L. Anderson who died when he voluntarily veered his cripped Cutlass away from the heavily populated Cielo Vista area and crashed back of the school in August 1956.

Lt. Comdr. Anderson's 22nd Air Transport Squadron members presented this replica of the Navy Cutless to the Hoofbeats Staff in September 1958.
